ORIGINAL SONGS AND MUSIC TO FILL YOUR HEART AND SOOTHE YOUR SOUL

“Emerging from Northumberland in 2024. MOTH blend alternative folk rock, blues and ambient rock into an original more lyrical genre-defying sound. Known for their engaging stage presence and superb musicianship, MOTH offers a rich, textured live sound rooted in authentic song writing and superb musicianship.”

“MOTH; clever, catchy originals, with some great covers thrown in. I didn’t know what to expect, but I didn’t expect such musicianship, and very entertaining too!” Microbus Gateshead

What a lovely night, full of energy with a dash of haunting wistfulness that takes you on a journey through your own memories. The sound was so well balanced, that all the instruments and voices blended beautifully, and yet each was clear and distinct. Thank you.”

“Last night at The Station East I had the absolute pleasure of seeing in my humble opinion one of the best bands from our region. Moth had it all – stunning musicians, hilarious banter and Pete Shaw’s brilliant and sometimes moving lyrics.”

“A cross between the Waterboys & Kevin McDermott Orchestra”
